REQUEST FOR LEAVE TO LATE FILE AN EXPRESSION OF INTEREST

Capital Assets, Inc. ("Capital"), a Georgia corporation, and permittee of WFOW(FM) Chatom, Alabama, hereby petitions the Commission for permission to late file an expression of interest in the above captioned rule making. Capital was under the impression that a representative of the technical consulting firm which originally prepared the petition was filing the expression. However, due to medical limitations on the party in the consulting firm, the expression of continuing interest was not prepared in time to forward to Capital for signature. It was the understanding of the technical consultant that other provisions were arranged and therefore, it was not until a periodic review that it was discovered no expression of continuing interest was timely filed.

It has long been Commission policy that when no additional parties filed comments in a rule making process petitioners could late file their expression of interest. Such filing was recently allowed in MM Docket 96-174 concerning the allocation of channel 249A to Thomaston, Alabama. See DA-961306. Capital was the only party filing any comments in the proceeding. Therefore, Capital requests that the Commission accept this late filed expression of interest, with the full understanding that Capital will vigorously pursue the site authorization and construction of WFOV at Grove Hill.

CERTIFICATION

I, Bennie Hewett, President of Capital Assets, Inc.,
Petitioner for the deletion of channel 291C3 at Chatom and
the allocation of channel 291C3 at Grove Hill, Alabama (and
the modification of the WFOV CP accordingly), does hereby
verify that the statements contained in this Request for
Leave to Late File an Expression of Interest are true and
correct to the best of my knowledge and belief. I represent
that this Petition is not filed for the purpose of impeding,
obstructing or delaying determination on any other
application or petition with which it may be in conflict.

Respectfully Submitted,
CAPITAL ASSETS, INC.

EXPRESSION OF CONTINUING INTEREST

Capital Assets, Inc. ("Capital"), a Georgia corporation, and permittee of WFOV(FM) Chatom, Alabama, hereby petitions the Commission to accept its Expression of Continuing Interest for the deletion of channel 291C3 at Chatom, Alabama, and the allocation of channel 291C3 to Grove Hill, Alabama, as that Community's first broadcast service. It further expresses an interest that the CP of WFOV be changed accordingly. Capital states that it will immediately secure an antenna site for channel 291C3 at Grove Hill and filed the necessary Form 301 for a construction permit. The application will be filed under the Commission's Duopoly Rules. Upon grant of the CP Capital will immediately construct and operate WFOV at Grove Hill.
